

# Material Safety Data Sheet

## PRODUCT AND COMPANY IDENTIFICATION

**Product Name:** Blue Nail Liquid  
**Manufacture:** Tres Chic Nails  
P.O. Box 24500  
Rochester, NY 14624  
**Telephone Number:** 585-247-6060

**Version Number:** 01  
**MSDS /Product Code:** 02200  
**Issued Date:** 01-01-08  
**Fax Number:** 585-429-9897

## TELEPHONE NUMBERS – 24 HOUR EMERGENCY ASSISTANCE:

**Infotrac Domestic - 800-535-5053**

**Infotrac International - 352-323-3500**

---

## 1. COMPOSITIONAL INFORMATION

Ingredient Name	CAS Number	Concentration	Exposure Limits / Health Hazards
Ethyl Methacrylate - Inhibited	97-63-2	ACGIH TLV	OSHA VPEL Not Established ACGIH TLV Not Established
Triethylene Glycol Dimethacrylate Esters	109-16-0		OSHA VPEL Not Established ACGIH TLV Not Established
N, N Dimethyl p Toluidine	99-97-8		OSHA VPEL Not Established ACGIH TLV Not Established
2- (2-Hydroxy-3, 5-di-tertamyphenyl) benzotriale	25973-55-1		OSHA VPEL Not Established ACGIH TLV Not Established
2-Hydroxy-4-n-octoxybenzophenone	1843-05-6		OSHA VPEL Not Established ACGIH TLV Not Established

## 2. FIRE AND EXPLOSION HAZARD INFORMATION

### Extinguishing Media

Use a water spray, dry chemical, alcohol foam or carbon dioxide to extinguish fire.

### Basic Fire Fighting Procedures

Evacuate area and fight fire from a safe distance. Water may be ineffective. Water may be used to keep fire-exposed containers cool until fire is out. Wear self-contained breathing apparatus and full protective clothing.

**NFPA Rating**                      Health – 2                      Flammability – 3                      Reactivity - 1

**Flash Point:** 60° F                      ° C  
**Auto Ignition Temperature:** 771° F                      ° C  
**Flammability Limits in Air, Lower % by Volume:** 1.8  
**Flammability Limits in Air, Upper % by Volume:**

## 3. HEALTH HAZARD INFORMATION

**Potential Health Effects, Skin** SLIGHTLY IRRITATING  
May cause mild skin irritation. May cause an allergic reaction in some individuals.

**Potential Health Effects, Eye** MODERATELY IRRITATING  
May cause eye irritation. This information is based on findings from related or similar materials.

**Potential Health Effects, Inhalation** SLIGHTLY TO MODERATELY IRRITATING  
The following evaluation is based on a component(s) of this material.  
Breathing of the mists, vapors or fumes may be irritating to the nose, throat and lungs.

## 4. FIRST AID INFORMATION

**Skin** SLIGHTLY IRRITATING  
Remove contaminated clothing and launder before reuse. Wash affected skin areas with soap and water. See a physician if irritation persists.

**Eye** MODERATELY IRRITATING  
If symptoms develop, move individual away from exposure and into fresh air. Flush eyes gently with water while holding the eyelids apart. If symptoms persist or there is any visual difficulty, seek medical attention.

**Inhalation** SLIGHTLY TO MODERATELY IRRITATING  
Move subject to fresh air. If having difficulty breathing, administer oxygen. Give artificial respiration if breathing has stopped. Call a physician.

**Ingestion** Seek medical attention. If individual is drowsy or unconscious, do not give anything by mouth; place individual on the left side with head down. Contact a physician, medical facility, or poison control center for advice about whether to induce vomiting. If possible, do not leave individual unattended.

## 5. REACTIVITY INFORMATION

**Stability / Incompatibility**  
Stable. Incompatible with strong acids, strong alkalis, strong oxidizing agents.

**Hazardous Reactions / Decomposition Products**  
May form carbon dioxide and carbon monoxide.

**Hazardous Polymerization**  
May occur.

## 6. SPILL OR LEAK PROCEDURES INFORMATION

**Emergency Action**  
Eliminate and/or shut off any ignition source and keep ignition sources out of the area. Evacuate the area of all unnecessary personnel. Thoroughly ventilate the area, use self-contained breathing apparatus. Wear protective equipment if exposure conditions warrant.

**Spill or Leak Procedure**  
Eliminate and/or shut off any ignition source and keep ignition sources out of the area. Shut off leak if safe to do so. Absorb spill with inert material (e.g. dry sand or earth) then place in a chemical waste container. Use water spray to dilute spill to a nonflammable mixture. Avoid runoff into storm sewers and ditches, which lead to waterways.

# Material Safety Data Sheet

## **7. SPECIAL PROTECTION INFORMATION**

### **Skin Protection: Personal Protection Equipments (PPE)**

If skin contact is anticipated, protective clothing, including gloves, should be worn.

### **Eye Protection: Personal Protection Equipments (PPE)**

Wear chemical safety goggles

Have eye-washing facilities readily available where eye contact can occur.

### **Respiratory Protection: Personal Protection Equipments (PPE)**

Good general ventilation should be sufficient to control airborne levels.

## **8. STORAGE AND HANDLING EQUIPMENT**

### **Handling**

Wash hands thoroughly before eating, drinking or smoking. Store below 120 degrees F in a tightly closed container in a cool, dry, isolated, well ventilated area, away from heat, ignition sources and incompatibles. Store out of direct sunlight. Use non-sparking tools.

## **9. MISCELLANEOUS INFORMATION**

### **Disclaimer:**

The data contained herein is based upon information that Très Chic Nails believes to be reliable. Users of this product have the responsibility to determine the suitability of use and to adopt all necessary precautions to ensure the safety and protection of property and persons involved in said use. All statements or suggestions are made without warranty, express or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof.
